ROBERT ARTINIAN
WORSHIPFUL MASTER

Greetings from the East,

This being my first article as Master of San Marino Lodge No. 408, I would like to take a few moments to say thank you to our first-class team of Officers and to all members of our Lodge. The strength and dedication of our line of officers are on solid ground for the foreseeable future. They are all committed to preserving the values and traditions of the craft.

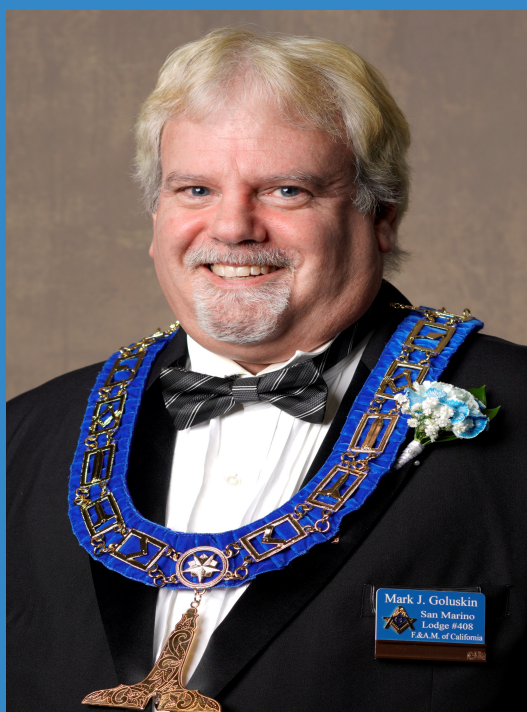

I would like to thank our outgoing Master, Worshipful Sarkis Shirinyan, whose creativity enabled our Lodge to thrive during the Covid lockdown, utilizing technology via zoom to keep the Lodge and especially the officers connected and engaged.

It is with humility that I accept this honor and privilege to serve as Master and lead San Marino Lodge in the ensuing Masonic year. Thank you for allowing me the opportunity to serve you. I stand on the shoulders of many who have come this way before and have blazed a trail for me to follow. I am inspired to utilize the lessons I have learned from my predecessors and hope to make a difference, in a small degree at least, in the journey and lives of our brethren.

My goal this coming year is to build upon an already strong core that will lead us in the future. We will establish and maintain a presence in the community to ensure that our presence is constant. Please look at the flyer attached on our trestle board for details on our upcoming Valentine's Celebration Party, it is sure to be a good time. Please RSVP soon as seats will be limited and will be selling out quickly.

I pledge to perform my duties to the best of my abilities and to keep our tenets of Brotherly Love, Relief, and Truth intact. Wishing all of you and your families a Happy, Healthy and Prosperous New Year.

Sincerely and fraternally,

MARK J. GOLUSKIN
Senior Warden

Greetings from the West

Brethren, this is my first time writing to you as your senior warden. Our installation last month was a well attended success.

This year, your pillar officers will seek to have a full year of fellowship, activities and degrees. I look forward to getting our potential Entered Apprentices initiated. And those Fellowcraft and Master Masons on their way.

I look forward to a full, exciting year.

Fraternally,
Mark J. Goluskin

ASADOUR MEGURDITCHIAN
Junior Warden

Greetings from the South

The last two years have been a test of the strength of our fraternity, and I believe we as a lodge have passed that test with flying colors, and came out better than ever before. I can't wait to start the New Year to begin this new adventure and serve the lodge. I hope this year will bring our lodge even closer together, and be filled with fun, fellowship, and everlasting friendship. I will strive to serve the lodge to the best of my abilities, and with the guidance of our past masters, lodge elders, and the fundamental teachings of our institution I hope to come out a better man at the end of this experience. It will be tough to follow in the footsteps of those who have come before me but I will try my best.

P.S. Being in charge of food and refreshments, make sure to wear loose pants, it will be a year full of excellent food and refreshments from all cuisines.
